VI. California Privacy Rights

a) Introduction

California Civil Code Section 1798.83 permits the users of the Site who are California residents to request certain information regarding our disclosure of Personal Information to third parties for their direct marketing purposes. To make such a request, please contact us at axsmap@axslab.org.

VII. Data Retention

We will only retain Personal Information about you for as long as necessary to fulfill the purposes Personal Information was collected for, including the purposes of satisfying any legal, accounting or reporting requirements. To determine the appropriate retention period for Personal Information, we consider the amount, nature, and sensitivity of the Personal Information, the potential risk of harm from unauthorized use or disclosure of Personal Information, the purposes for which we process Personal Information and whether we can achieve those purposes through other means, and applicable legal requirements.

VIII. Links to Other Websites

The Site may contain links to other websites of interest. However, once you have used these links to leave the Site, we do not have any control over third party websites. We cannot be responsible for the protection and privacy of any Personal Information which you provide whilst visiting such sites and such sites are not governed by this Privacy Notice. You should exercise caution and review the privacy notice applicable to the website in question.

IX. Children

The Site and the Services are not intended for children under the age of 16. Accordingly, we do not intend to collect Personal Information from anyone we know to be under 16 years of age. We do not intentionally collect, sell, or process the Personal Information of individuals under 16 years of age.

X. How Do We Use Cookies?

Some of the features on the Site require the use of "cookies" - small text files that are stored on your device's hard drive. We use cookies to measure which pages are being accessed, and which features are most frequently used. This enables us to continuously improve the Site to meet the needs of our visitors.

The following sets out how we may use different categories of cookies and your options for managing cookie settings:

Type of Cookies	Description	Managing Settings
Required cookies	Required cookies enable you to navigate the Site and use its features, such as accessing secure areas of the Site and using our services. If you have chosen to identify yourself to us, we use cookies containing encrypted information to allow us to uniquely identify you. These cookies allow us to uniquely identify you when you are logged into the Site and to process your online transactions and requests.	Because required cookies are essential to operate the Site, there is no option to opt out of these cookies.
Performance cookies	These cookies collect information about how you use the Site, including which pages you go to most often and if they receive error messages from certain pages. These cookies do not collect information that individually identifies you. Information is only used to improve how the Site functions and performs. From time to time, we may engage third parties to track and analyze usage and volume statistical information relating to individuals who visit the Site. We may also utilize Flash cookies for these purposes.	To learn how to opt out of performance cookies using your browser settings, click here . To learn how to manage privacy and storage settings for Flash cookies, click here .
Functionality cookies	Functionality cookies allow the Site to remember information you have entered or choices you make (such as your username, language, or your region) and provide enhanced, more personal features. These cookies also enable you to optimize your use of the Site after logging in. These cookies can also be used to remember changes you have made to text size, fonts and other parts of web pages that you can customize. We may use local shared objects, also known as Flash cookies, to store your preferences or display content based upon what you view on the Site to personalize your visit. XII. Security

We take reasonable and appropriate measures to protect Personal Information from loss, misuse and unauthorized access, disclosure, alteration and destruction, taking into account the risks involved in the processing and the nature of the Personal Information. Despite these efforts to store Personal Information collected on and through the Site and otherwise by us in a secure operating environment that is not available to the public, we cannot guarantee the security of Personal Information during its transmission or its storage on our systems. Further, while we attempt to ensure the integrity and security of Personal Information, we cannot guarantee that our security measures will prevent third-parties such as so-called hackers from illegally obtaining access to Personal Information. We do not warrant or represent that Personal Information about you will be protected against, loss, misuse, or alteration by third parties.

XIII. Changes to This Notice

This Privacy Notice may change from time to time, effective from the date mentioned in the updated version of the Privacy Notice. You can tell when this Privacy Notice was last updated by reviewing the Last Updated legend at the top of this page. Please check the Site periodically to review such changes in the Privacy Notice.

XIV. Do Not Track ('DNT') Settings

California law requires us to let you know how we respond to web browser Do Not Track (DNT) signals. Because there currently isn't an industry or legal standard for recognizing or honoring DNT signals, we don't respond to them at this time.
